

We connect multifamily vendors with the property management professionals who need them.

## Effortless Management & Bid Requests

Managing your listing has never been simpler! Through your VendorGuide account and dashboard, easily update your information and receive valuable bid requests. Stay in control of your opportunities and make meaningful connections with property managers in need of your services.

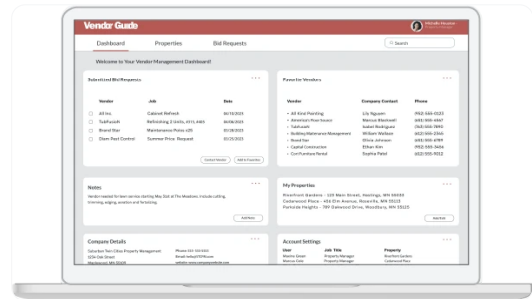

## Upgrade Your Listing for Maximum Exposure

Are you a vendor seeking to be noticed by property managers? Upgrade your listing and captivate your target buyers! With a premium listing, you can stand out from the crowd and engage with potential clients when they are actively seeking the services you offer. Enjoy special discounts for multiple categories to expand your reach further.

## Unlock the Path to Successful Partnerships

Property managers play a pivotal role in fostering successful collaborations. That's why they have dedicated accounts on our platform. By doing so, they gain exclusive access to a host of benefits, allowing them to save their preferred vendors, efficiently review bids, and take charge of their vendor interactions like never before.
